Industry/School Network Opportunity
Supporting VET teachers to validate assessment strategies

Vocational teachers are invited to meet with industry representatives and other teachers to moderate and validate their Training and Assessment Strategies and assessment instruments. Industry representatives have been invited to facilitate industry specific discussion groups. Industry groups will be formed according to needs expressed but are likely to include Business, Hospitality, Recreation, Engineering, Construction, Furnishing, Tourism, Information Technology and General Education (Work Education).

To facilitate the process teachers will need to bring copies of their TAS and assessment instruments. A computer to copy to/from a USB will be available.
